OUR TALK TODAY

The Historic Dockyard, Chatham

Scott Belcher says - "I am a Kent native (Man of Kent rather than Kentish Man), but moved around the north of England and Wales until 8 years ago when I returned "down south" and started working at the Historic Dockyard Chatham. Initially employed as the Deputy Visitor Services Manager I am now also responsible for the site's security and the health and safety of our personnel, volunteers, visitors, tenants and residents. I have been delivering talks on the subject for the last three years but by no means claim to be an expert - there is still an awful lot for me to learn."
