

Welcome to the 1 October 2019 emailinfoservice, the NWKFHS fortnightly information service, comprising the latest information about the Society and its events, and other items of interest for family historians.

Today's Photo

Judith French kindly supplied today's photo, from her late father's collection. She thinks he bought it as he often bought Dartford related photos.

It is captioned: 'Dartford Football Club Winners of the Kent Senior Cup 1930-1931'. So it can be dated to the end of the football season in 1931.

Wonderfully all the men in it are named, albeit initial and surname only.

Are any of them your ancestors? Many of the surnames are unusual.

Back Row from left: J BATCH, J S PEARSON, W R MACKNEY, G W SAREL (Chairman) , D O BURT, H FOSTER, A E ROFE

Middle Row: G P TATNER, W BOWER (Trainer), J CAMPBELL, C BUSSINGHAM, A WEBSTER, T HIGGINS, R PATRICK, W COLLIER (Manager), R HOLME (Secretary).

Front Row: W WILKIE, W McGIRR, J AITKIN, S CHARNLEY (Captain), A DUNSIRE, J HARRON

I (Stella Eames) welcome photos of people or places (specially historical or family history) in the North West Kent area with a story about them as I like to start each newsletter with a photo and story. Saturday 19 October Speaker at Bromley 10.30am
Meryl Catty and Maureen Binks will present An Enumerator's Tale

Census returns are a vital resource for genealogists. But how reliable are they?

For census purposes, enumeration districts of about 200 households were drawn up, which an enumerator was considered capable of visiting in a day.

Enumerators first delivered a Householder's Schedule with instructions as to how it should be completed. The head of the household was required by law to complete the form on census night detailing all those persons who were sleeping in the house that night.

The enumerator returned to collect the Householder's Schedule. However a fully complete, accurate census return depended on many things:- the ability of the head of the household to read and write; the instructions being understood, particularly regarding night workers or those away from home; the readability of the handwriting; the cooperativeness of the head - just like now there were those who did not regard this as the government's business. Some people wished to exaggerate their job seniority, pretend to be married etc. All this could have the poor enumerators pulling their hair out.

Meryl and Maureen will tell us in a very amusing way of the difficulties encountered by enumerators.

Doors open 9.45am, meeting starts 10.30am. The venue, Bromley Methodist Church, College Road, Bromley BR1 3NS has a free car park (although this can fill up) and is close to Bromley North Station and is on or near many bus routes.

Visitors are welcome and are invited to make a donation towards the hall and speaker costs. Returning visitors attending more than one meeting are asked to join the Society (£10 per calendar year)

[Vacancy For Bromley Branch Programme Secretary](#)

Lynne Overton has, as yet, had no enquiries from people wanting to discuss what would be involved in taking over her role, nor from volunteers who would like to take it on. Accordingly, she is asking once again for any interested parties to get in touch with her, so that she can outline exactly what is involved.

She has been asked if someone who is not a regular Bromley attendee could organise the programme, and the answer to that is, "of course", as the Bromley Committee would undertake to help set up equipment, greet the speaker, offer the introduction, and give the vote of thanks.

Another approach would be that two friends could work together on the programme, talking over likely speakers, and co-ordinating their efforts so that the onus of sourcing, contacting, confirming etc would be shared between them.

Lynne has built up a file of contacts, lists of sources for discovering likely speakers, spreadsheets of past speakers to Bromley Branch, and blank spreadsheets to be filled in for the Executive Committee and the Journal, and all this information, including a file of past correspondence will be handed over to the new incumbent(s). If you know Lynne, you will know that she is always willing to support anyone who needs it, and will make herself available for assistance and advice if required.

Please contact her, either at a Bromley meeting, or by e-mail: programme.nwkhfbromley@virginmedia.com

PS I am a volunteer creating this e-newsletter in my 'spare time' but, if you do notice any errors, please tell me, so that they are not carried forward to the next emailinfo.

I often get asked to publicise family history fairs, new books on genealogy and small genealogy businesses. I use my discretion in including ones which are local to our area or which I think may interest readers. It does not mean that I or NWKFHS has any personal knowledge, or makes any recommendation, about the event or business.

If there is anything else I should be aware of, to give you maximum benefit from this emailinfoservice, please let me know. I do receive many suggestions and requests for external events to be included, but there is only room for so much and I am conscious that the longer this email is, the less likely it is to be read. Some external events I publish on our Facebook page instead. But I'd welcome your opinions on the length and content and whether there is anything additional you'd like included.

Please mention it to others and encourage them to sign up so that we can keep society members and anyone interested in family history informed of NWKFHS activities.
