

Welcome to the mid October 2021 email newsletter.

Society member Colin Brash has sent in the above photo and says:

I am sending you a picture of a football team local to New Cross, Deptford in which three of my family were members.

My father, W.J.S.Brash (back row, 3rd from right, born 1908 in 27 Lebanon St.), his brother Fred (back row 1st left) and my Mother's brother ,Charles May (back row 2nd from right).

The team name had 'Edric Road' in it, where Fred was born at number 34 in 1915; and where his parents, Thomas and Mary Ann, carried on living.

The background to the picture does not look like Edric Road, which is terraced houses, so it was probably where they played. My feeling is that the picture was taken in the mid to late 1930s.

The only other name I can attach to the photograph is H.Watkins, 24 Wivenhoe Road, Peckham, S.E.15. This was written on the back of the photo.

I have traced H Watkins' family and they do not know any of the men in the picture, nor is he a member of the team.

I would be grateful for any assistance in solving this puzzle.

If you can suggest any lines of enquiry to Colin, please contact him on crbill3@aol.com

Good news - the library at Joyden's Wood has re-opened for members to do their research on Wednesdays. Our Society Librarian, Janet, has further info and asks those who want to come to book a time slot to prevent overcrowding. Janet's phone number is 01322 384836.

Library at: 80 Summerhouse Drive, Joydens Wood, Kent DA5 2EE

Parking in nearby roads.

Those of you who have been to the library will know that space can be tight and this is the best way of controlling it and being fair to everyone.

Guest speaker Mary Smith will talk about A Schoolgirl's War

What was wartime really like for children in Kent?

Mary Smith, former headteacher of Maidstone Girls' Grammar, will give an illustrated talk featuring an exquisite, unique set of paintings revealing school life during the Battle of Britain and the doodlebug attacks. The paintings were completed as the War unfolded by art teacher, Helen Keen.

Mary Smith, who retired as Head of Maidstone Girls' Grammar School in 2014 after eight years, has also produced a book called "A Schoolgirl's War" which had its origins in two discoveries made at the school.

The first was the accessing of an underground purpose-built shelter at the rear of the school after removal of debris blocking its entrance and the revelation that the shelter was a time capsule as a classroom used during air raids, complete with the original school benches on either side of the long, narrow shelter. The second discovery was a large and comprehensive diary of wartime school life, beautifully illustrated by the then Art teacher, Helen Keen, which was supplemented by Mary Smith interviewing 53 "old girls" about their experiences of school during the war.

This talk includes fascinating and often surprising recollections from past pupils, now in their 80s and 90s. Although it focuses on one school, the experiences were common to schools across Kent and, perhaps, the lives of some Friends. The reason this story is unique is the quality of the records, particularly these beautiful paintings, that have been preserved at the school.

Free to NWKFHS members; non members are asked to make a token donation of £1 - £2 towards costs of hall hire and speaker.

No booking, just turn up.

I am a volunteer creating this e-news in my 'spare time' but, if you do notice any errors, please tell me, so that they are not carried forward to the next edition.

I often get asked to publicise family history fairs, new books on genealogy and small genealogy businesses. I use my discretion in including ones which are local to our area or which I think may interest readers. It does not mean that I or NWKFHS has any personal knowledge, or makes any recommendation, about the event or business.

.....

If there is anything else I should be aware of, to give you maximum benefit from this enews service, please let me know. I do receive many suggestions and requests for external events to be included, but there is only room for so much and I am conscious that the longer this email is, the less likely it is to be read. Some external events I publish on our Facebook page instead. But I'd welcome your opinions on the length and content and whether there is anything additional you'd like included.

Please mention it to others and encourage them to sign up so that we can keep society members and anyone interested in family history informed of NWKFHS activities.
