

The above photograph was taken in October of last year, and portrays C. Senior, H. Williams, H. Paskins, H. Flatt, and L. Rank, the pick of the Boxers at Vickers' Camp for the Farningham Homes' Boys, Barnes Cray Walk, together with their trainers, Stoker Clark and C. W. Senior. These boys secured 9 Cups and 7 Medals for Boxing last year, which speaks highly both for the lads and their trainers. The Firm has built a fine recreation room for the boys at the Camp, where they have every facility for practice with the gloves and other indoor sports.

Welcome to the mid March 2021 email newsletter.

Today's headline photo is another one from the Society's Flickr collection which contains nearly 3,500 photos and documents.

Saturday 3 April 10am for 10.30 - Francine Payne 'Dartford Hospitals during WW1'

Francine says: *I have always been interested in history and my interest in the hospitals came when I was working in the library at Joyce Green; the hospital was due to close and there was a huge amount of archive material collected by Dr John Burne.*

As I sorted through the collection I made notes, took a few photocopies and eventually had enough material to write my first book 'A History of the Darent Hospitals' which covers the smallpox camps, the Southern, Darent Park and the Mabledon. I then wrote 'Joyce Green and the River Hospitals', covering the hospital ships, Long Reach, the Orchard and Joyce Green. '

Stone House: the City of London Asylum' was written after the Trust contacted me and asked me to write their history. All three books are available on Amazon.

Saturday 1 May 10am for 10.30 - Donna Rutherford (Part 1)- 'DNA for beginners'

(Part 2 will be 17 June 10.30am)

We are delighted that we have been able to book the well known DNA expert Donna Rutherford.

Have you ever wondered what having a DNA test could do for you? How it could help with your family history research?

Before spending any money, do you want to know more about the three types of test (autosomal, mitochondrial and Y) and which type or types is more likely to give you the results you are looking for?

What are the pros and cons of the several commercial companies which offer DNA tests?

And what happens after you've posted the testing kit back to the company?

Or maybe you know most of this but would like a refresher.

Then this talk is for you. Book your diary now for this and Donna's follow up talk on 17 June at 7.30pm.

The Zoom code for this and other talks further ahead will be published on the website nearer the date.

The Really Useful Show 10 April

North West Kent FHS will have a rota of volunteers on hand throughout the day to answer questions about family history in our area coming in from around the country and abroad.

<https://www.fhf-reallyuseful.com/>

.....
I (Stella Eames) welcome photos of people or places (specially historical or family history) in the North West Kent area with a story about them as I like to start each newsletter with a photo and story. Please email me at emailinfoservice@nwkfhs.org.uk. with your contributions. Any photos must be your own copyright.

I am a volunteer creating this e-newsletter in my 'spare time' but, if you do notice any errors, please tell me, so that they are not carried forward to the next emailinfo.

I often get asked to publicise family history fairs, new books on genealogy and small genealogy businesses. I use my discretion in including ones which are local to our area or which I think may interest readers. It does not mean that I or NWKFHS has any personal knowledge, or makes any recommendation, about the event or business.

If there is anything else I should be aware of, to give you maximum benefit from this emailinfoservice, please let me know. I do receive many suggestions and requests for external events to be included, but there is only room for so much and I am conscious that the longer this email is, the less likely it is to be read. Some external events I publish on our Facebook page instead. But I'd welcome your opinions on the length and content and whether there is anything additional you'd like included.

Please mention it to others and encourage them to sign up so that we can keep society members and anyone interested in family history informed of NWKFHS activities.
