

**Welcome to the 1 October 2021 email newsletter.**

Good news - the library at Joyden's Wood is reopening shortly for members to do their research on Wednesdays.

Our Society Librarian, Janet, has further info and asks those who want to come to book a time slot to prevent overcrowding. Janet's phone number is 01322 384836.

**Library at: 80 Summerhouse Drive, Joydens Wood, Kent DA5 2EE**

Parking in nearby roads.

Those of you who have been to the library will know that space can be tight and this is the best way of controlling it and being fair to everyone.

.....

**Talks** are now either in person at our Dartford and Sevenoaks venues or by zoom. The combined list of Zoom and in person talks are in one chronological list below.

The description for each event states clearly whether it is via Zoom or an in person talk.

Currently all Workshops remain Zoom.

.....

**ZOOM Talks**

**Zoom Talks are free and open to all.** They cannot be booked but please log on via the link in good time.

All times given are UK time.

(NWKFHS members who missed a talk, perhaps because you are not in our timezone, note that **some** speakers have allowed their talks to be recorded - <https://nwkfhs.org.uk/resources/all-other/zoom-talk-videos> note this link only works for paid up members logged into the website).

We are still without a webmaster. If you could take on that role please do contact [Chairman@nwkfhs.org.uk](mailto:Chairman@nwkfhs.org.uk) This is a really bad time to be without a webmaster given that everything is being done online.

If you don't wish to take on the role of Webmaster but know how to edit mpa4 files and could join the volunteers trying to perform the webmaster duties between them please contact [president@nwkfhs.org.uk](mailto:president@nwkfhs.org.uk)

Discovering the history of your ancestors' house. This workshop gives information on the social and building sources of our 18<sup>th</sup>, 19<sup>th</sup> and 20<sup>th</sup> century ancestors' homes.

Using case studies, the aim is to put together documents, maps, plans and pictures of the study houses, which others can use for their own research.

The workshop will include three flow charts on sources as handouts and each source will be discussed as required by the participants.

**20 October 10.30am \* NEW\* Special Interest Group - Scottish Research Discussion Group Leaders Pam Goddard and Carolyn Barclay.**

Initially the group will discuss starting your Scottish research, along with details of essential websites to use. Tips and advice will be shared on the use of some of these websites.

With regular meetings, discussions will be led by members' interests; but over time we will discuss various sources that will help with your research - archives, libraries, family history groups, local studies centres, along with various websites that could possibly aid your research.

*I am a volunteer creating this e-news in my 'spare time' but, if you do notice any errors, please tell me, so that they are not carried forward to the next edition.*

*I often get asked to publicise family history fairs, new books on genealogy and small genealogy businesses. I use my discretion in including ones which are local to our area or which I think may interest readers. It does not mean that I or NWKFHS has any personal knowledge, or makes any recommendation, about the event or business.*

-----  
*If there is anything else I should be aware of, to give you maximum benefit from this enews service, please let me know. I do receive many suggestions and requests for external events to be included, but there is only room for so much and I am conscious that the longer this email is, the less likely it is to be read. Some external events I publish on our Facebook page instead. But I'd welcome your opinions on the length and content and whether there is anything additional you'd like included.*

*Please mention it to others and encourage them to sign up so that we can keep society members and anyone interested in family history informed of NWKFHS activities.*
